**UPDATED 1 JULY 2011**

## I USED TO STUDY IN

**Fuchun Primary School, Singapore, Class of 1999**

**Kranji Secondary School, Singapore, Class of 2004**

**Nanyang Polytechnic, Singapore, Class of 2008**

Diploma in Digital Media Design – Interactive Media

## I'VE WORKED AT

**Make Studios (1·4·2008 – 10·9·2008)**

ActionScript Developer

*I Flash websites and fiddled with Arduino a little.*

**Signal Institute, Singapore Armed Forces (1·2·2010 – 15·9·2010)**

Web Developer, Assistant Team Lead

*Apart from the first few months as a recruit, I was a web developer for the army.*

*I know there's this dangerous assumption that if an NSF holds a desk job, he either has real medical issues or he got a private doctor to write him a poor medical grade. In my case, I'm none of the above. :)*

**Make Studios (16·10·2010 – 30·6·2011)**

Interactive Technologist

*I code and do technical research, I tinker with hardware and try to make things work with Flash.*

## I KNOW

HTML4, CSS2, Javascript

ActionScript 3, MXML

PHP, CodeIgniter

MySQL

Objective-C

## I USE

Photoshop, Illustrator, Flash, Flash Builder

Xcode, TextMate

*I do not like Dreamweaver, the code editor hurts my eyes*
